Can you please make the list of the main international projects or EU-funded projects you have been involved in during the last 3 years.

Partie C: Your proposal for collaboration with the University of Poitiers, FRANCE

C1.

Could you define the objectives you would like to achieve thanks to the collaboration between our universities (for example: modernization of trainings, virtual teaching and learning, double or joint degrees, building cooperation in new fields of education/research, EU-funded projects, students and staff mobility, etc.).

C2. More precisely, which activities would you like the University of Poitiers to organize for your institution (in Poitiers)?

C3.

Which activities could you organize in your institution for participants from the University of Poitiers ?

C4.

Based on the objectives you have defined before, can you specify the concrete expected outcomes for the participants of your institution?

*** Students (for example what new skills could they acquire? would you fully recognise their credits after mobility, ie 30 ECTS ?)**

*** Academic staff (for example what methods of teaching or research could be acquired?)**

*** Administrative staff (what exchange of best practices have you identified?)**

C5. If relevant, please explain how your HEI can contribute to one or several E+ programme priorities.

The Erasmus + programme has 4 priorities:

Inclusion and Diversity : E+ promotes equal opportunities and access, inclusion, diversity and fairness. Digital Transformation : E+ emphasises the increased need to harness the potential of digital technologies for teaching and learning and to develop digital skills for all. Environment and Fight Against Climate Change : Environment and climate action are key priorities for the EU, with a target of becoming climate neutral by 2050. Participation in Democratic Life : Erasmus+ supports active citizenship and ethics in lifelong learning, and prioritises projects that foster participation.
